The group based out of Jetform Park has been engaging in slow moving caravans. In addition to the one at the airport, they engaged in one of the 417 towards Arnprior and return.

At 1237 hrs, officers attended the area of Wellington and Metcalfe where several large trucks were sounding their horns. An evidence gathering team attended and filmed the area but many bystanders stood around the officers filming them. The officers withdrew from the immediate area until additional resources attended to provide ongoing support.
